### **Q: What types of events typically use a photo booth?**

A: Events enhanced by Photo Booths are Private Parties, Corporate Parties, Birthday Parties, Sweet Sixteen Parties, Dances, Reunions, Bat/Bar Mitzvahs, Proms and After Proms, Tradeshows, Grand Openings, Fundraisers, College Fun Nights, Teambuilding, and so many more!

### **Q: Why a Photo Booth?**

A: Simple – people have fun with Photo Booths and it gives them an instant keepsake. Photos are timeless and the photo booth lets people be interactive. Photo Booths have limited space, so often the fun is trying to get everyone in the Photo Booth.

### **Q: How much does it cost?**

A: Great question. As with most services, pricing is dependent on a few factors such as date, location, hours of the event, and any extra options. Our standard quote will include usage for up to four hours. When you request pricing, we guarantee a prompt response.

### **Q: What is included in the rental?**

A: Each rental includes delivery, set up, and removal of the Photo Booth. The rental also includes unlimited photos for the duration of the event, a wedding guestbook album and a friendly, professional attendant for coordination and assistance.

### **Q: How many pictures do we get at an event?**

A: Since the rental includes unlimited photos, the answer is – as many as you want. You are only limited by the speed of your clients/guests!

### **Q: How long does it take to print the pictures?**

A: The Model 12 Photo Booth prints pictures within 10 seconds of your last pose. There is hardly a wait for the photographs which is important because guests will be eager to see their pictures! The photos are studio quality prints and will not fade. There's a clear protective coating on top making them resistant to fingerprints, smudges and even drops of liquid.

### **Q: What are the dimensions of the Photo Booth?**

### **Q: How do I reserve my date?**

A: After receiving your customized quote, a deposit of \$200 will be required to “reserve” your date. If you are working with budgets or are thinking about a date, ask us to “hold” your date for you. When we “hold” a date, we give you first rights to the date if someone else calls for the same date. We then give you 48 hours to decide if you want to book the date. We will be happy to “hold” dates for up to 60 days.

**Q: Why not a photographer, disposable cameras, or a sketch artist?**
